

EC1105

Spring Hinge Square Corner

Application:

- For use on 13/4" doors
- Recommended maximum door weight 180 lbs.
- For maximum versatility use all spring hinges or a combination of spring hinges and ball bearing hinges. Do not use plain bearing hinges.
- Full spring tension may not be required on all hinges
- Strong wind conditions, drafts, carpeting drag, twisted/misaligned frames, or weatherstripping on doors may require additional spring hinges.
